

## Underwater Housing for Canon G11

Made of 6061 aluminum, 10Bar Housing is a sturdy choice for the Canon G11 camera. For those who favor small cameras, it is the ideal housing to suit their needs.

It is equipped with full-function control buttons, bulkhead connector for external flash and interchangeable ports for conversion lens. The acrylic back cover allows taking pictures and checking on the camera much easier. For closure, the double o-ring and key hole lock design provide ease of use and added security. Now you can use small cameras with the feel and function of professional housings.

Key hole lock
